THIS WEEK......
We learned about different kinds of patterns in books. We learned about repeating patterns that use the same words over and over again in sentences. We also learned about growing and shrinking patterns. See if your child can find patterns in books while you read to them at home.

We worked with number stories and number partners. We are learning how to see the partner in the story and write a number sentence to go with it. We are also learning how to solve partner problems without pictures (ex. 5+1=___ 3+0=___ 4-2=___ 5-1=___)

We have been writing stories across pages using pattern sentences. We are using capitals to begin our sentences, finger spaces between words, and punctuation at the end.

FYI.....
**Christmas Break begins Monday, Dec.22 and continues until Friday, Jan. 3. Kids will return to school on Monday, Jan. 6.

**Monday, Jan. 6 will be PAJAMA DAY! Don’t worry about getting your child dressed that day, just send them in their jammies! Please make sure they still have shoes that day and remember they will go out to recess in their jammies, so make sure they are warm!

**Wishing you a blessed Christmas season! May you enjoy spending two weeks with your little one! Happy New Year!

SHOW N’ TELL
Please have your child bring in their favorite Christmas gift. Make sure it is small enough to fit in his/her backpack.

HOMEWORK
Please do the separate packet over vacation to keep your child’s literacy skills in tact.

Please send the completed packet back on Monday, Jan. 6.

Thanks!
