THIS WEEK......
We are learning how to “rev up” our brains to get ready to read. We have learned that good readers look at the cover and predict what the story is about. They also take a picture walk and put the story in their brain. We do this before reading the words as it helps us understand the story better, and can help put words in our brain that are in the story. Please do this at home we you read aloud to your child at bedtime.

We learned how to create new shapes by putting triangles, squares, and rectangles together: ex. 2 rectangles make a big square.....6 triangles make a hexagon........4 triangles make a square

We are writing true stories about ourselves across pages. We are making sure to use “5 Star Writing” in our stories.
1. Neat Handwriting 2. Capital to start the sentence 3. Spaces between words 4. Sentence makes sense 5. Punctuation at the end

Please do this at home we you read aloud to your child at bedtime.

FYI.....
**Alward will be having a MATH NIGHT on January 20 from 6:30-7:30 PM. Parents and students will be playing games and get to hear about our ONE SCHOOL, ONE BOOK program. Please save the date!

** Please make sure to send in show and tell on your child’s assigned day. It is part of their homework and should be completed each week that it is assigned. Thank you.

SPECIALS
Monday: ART
Tuesday: PE/MUSIC
Wednesday: MUSIC/PE
Thursday: ART
Friday: PE/MUSIC
LIBRARY is on THURSDAY!
Please wear tennis shoes on gym and music days.

SHOW N’ TELL
Please have your child find something that begins with the letter “Mm”. NO mice or mittens.
BE CREATIVE! Can you find something no one else will think of?

HOMEWORK
Please do the attached papers. Make sure your child uses a pencil to complete homework correctly and fixes mistakes before they color the pictures carefully.
Please stress NEATNESS and BEST work at home!
