THIS WEEK.....

In reader's workshop we are reviewing concepts of print. This means we read books from left to right and top to bottom so the story makes sense. We also have to make sure to read every page of the story to have it make sense too. We had LOTS of fun trying to read the wrong way this week and discovered it just didn't work well!

In writer's workshop, we are working on doing what good writers do every time they write. They think about their story, tell the story to themselves, then picture the story in their brain so they can put it on paper. Students are picking their own topics to write about as well!

In math, we are learning to write numbers THE SCHOOL WAY! We start at the top and have fun rhymes to help us write. Ask your child to teach you the ones he/she knows.

We practiced writing  the "school way". Our popcorn words so far this year are:

a for is red this I can look

FYI...The leaf creatures are AMAZING!

Early Release will take place THIS FRIDAY! Kids will be dismissed at 12:15 PM. Your child can order a sack lunch to take to his/her after school destination. Please send a note if your child need to order one. This was very confusing for them last time. Thank You!
