

Mrs. LePard's K News

OCT. 27, 2016

THIS WEEK.....

In reader's workshop we are learning how to share books with a partner. We have learned that we can share our favorite part of the story, something we think is cool, something that we learned, or we can make a connection (hey, that's happened to me). We share these things while reading books with our partners.

In writer's workshop, we are working on adding details to the picture so it SHOWS the story. We are also making sure that we are doing something in the story and trying to add how it makes us feel.

We finished Unit 1 in math! Students took their first math test this week. Results will be sent home soon!

We practiced writing **Hh** the "school way". Our popcorn words so far this year are:

a for is red this I can look the see will go like

FYI... We are still collecting coins for the Book Buccaneer Coin War through Nov. 4

Popcorn/Spirit Day will be on Friday, October 28. Wear your Hudsonville/Alward shirts or Michigan/Michigan State shirts in honor of the BIG games that will take place this weekend.
