NOV. 10, 2016

## THIS WEEK.....

In reader's workshop we are learning how to read with stamina! That means the amount of time we spend reading by ourselves and with our partners. Right now we are reading for 8 min by ourselves and 8 minutes with our partners. Wow!

In writer's workshop, we are reviewing all the things good writers do. We will also be learning how to stretch our stories across pages to add more details to the story.

In math, we are making the numbers 6-10 with tiles and pennies. We continue to practice using a "five-finder". We are also working on learning how to tell number stories that add or subtract. We are using the words "all together/in all when adding" and "left" when subtracting.

We practiced writing  the "school way". Our popcorn words so far this year are:

a for is red this I can look the see will go like in here on my has
