

Mrs. LePard's K News

DEC. 8, 2016

THIS WEEK.....

In reader's workshop, are exploring patterns in books. We know that patterns can change at the beginning, middle, or end of the sentence. We know that finding patterns makes reading books easier.

In writer's workshop, we are writing like a scientist using our 5 senses. We are also writing with patterns that change at the end. Can your child name all 5 senses and sing our 5 senses song?

In math, we are working with groups of tens and ones. Kids know that a tens-group is long like a straw and ones are small like a dot or cube. We also know how to count by tens then freeze and continue counting on using our ones.

This week we practiced 8 NEW sight words:

could would to his had man do make

PLEASE practice the lists that are sent home each Thursday. The full list of our required kindergarten sight words is posted on the blog....check it out!

FYI...

Popcorn Friday is on Friday, Dec. 18.

Jet's Pizza Night is Tuesday, Dec. 22

Our class Christmas parties will be held on Wed, Dec. 21. We will be having a classroom gift exchange that morning! Please send in a gift that is around \$5.00. Boys buy for a boy. Girls buy for a girl. Please send in your child's gift to exchange by Friday, Dec. 16.

Please make sure to send your child to school wearing boots and with snowpants. Our new playground is very muddy as the grass has not completely grown in yet. Your child will need to have these items even if there is no snow on the ground. It is chilly and muddy out there! BRRR!
