## A Sneak Peek at this Week!

**Reading:** ABC Bootcamp – letter id/sound for letters Tt–Xx. Your child should be able to name and sound each letter. Practice at HOME too! We began reading with individual book bags during readers workshop and are reviewing our reader's workshop rules with books that are "just right" for us.

**Writing:** Printing Tt–Xx the "school way". Kids are getting better at writing correctly on penmanship lines. Capitals are always tall. Lower case can be tall and small. Work on tall/small when writing names on homework!

**Math:** We learned to write 1, 2, and 3 "the school-way". We learned how to make a counting mat. We are practicing scenes 1–10 and using a five-finder when making scenes for 6–10.
