

Mrs. LePard's K News

November 16, 2017

A Sneak Peek at this Week!

Reading: We learned about using our "super reading powers" to help us learn to read the words. We use "Eagle Eye" to look at the picture clue, then we use "Lips the Fish" to get our lips ready to make the first sound. We also use "Stretchy Snake" to stretch out the sounds in the word.

Writing: We continue to write like scientists. We are focusing on writing facts using our 5-Star writing.....capital at beginning, finger spaces, write neatly/school way, makes sense, correct punctuation at the end.

Math: We have now learned to write the number 0-9 "the school way". That means we will be able to write all the other numbers correctly too, as we use these small numbers to make bigger numbers like 11-30.

Important Dates/Info
