A Sneak Peek at this Week!

Reading: This week we are learning about patterns in books and how if we notice the patterns in the words it makes the books easier to read. We have learned that sometimes that word that changes in the pattern will be at the beginning of the sentences, sometimes it's in the middle, and sometimes it is at the end of the sentence. Reading pattern books helps your child build confidence and learn to read. Keep saving the "WHITE" paper books that come home with patterns and popcorn words.

Writing: We are also writing pattern books. We have written books where the pattern changes at the beginning, middle, and end. (I see __, __ sleep in the winter, and I like to __ in the winter).

Math: We finished up Unit 2 and took our math test on Thursday. Look for them to come home in folders, and practice the things your child made errors on. A great way to practice is by having them redo the problems they got wrong and explaining why those are incorrect answers.

Important Dates/Info

Santa's Secret Shop will occur on Thursday, Dec. 14. If you would like your child to shop at it, please return their shopping list with money in an envelope to school on that day. Label the envelope with your child's name and "Santa's Secret Shop".

Our class Christmas celebration will be on Friday, Dec. 22. We will be having our gift "book exchange" first thing in the morning and our party will be later in the afternoon. Please have books purchased, wrapped, and sent to school by Wed. Dec. 20.

SHOES...SHOES...SHOES...are becoming a HUGE issue with winter being here. Students NEED to be able to dress themselves independently at school. Please make sure to send shoes your child can put on/take off without the help of an adult.
